TorcUP is pleased to announce our NEW IMPROVED Website!

Easton, Pennsylvania: Leading the Bolting industry, TorcUP Headquarters, is pleased to announce a new, improved website. Many months of hard work and research led TorcUP to incorporate a website that would truly assist its customers, both before and after purchase.

Looking to place an order? TorcUP's website not only allows customers to view the tooling, but also gives part numbers and accessories taking the guesswork out of sending a PO and allowing the fastest processing.

Need help? TorcUP is available to assist customers with meeting their needs and provide them with the appropriate recommendation for tooling; many links will lead customers to our friendly, knowledgeable staff!

Can't find that manual that was shipped with the equipment? Not a problem! Our website now includes copies of all manual for our tooling in an easy to download PDF format.

As always, TorcUP has kept the CUSTOMER FIRST! We want to make tool purchasing easy, dependable and assure quality! Our website offers customer testimonials of others who are enjoying the benefit TorcUP tools.

Visit www.TorcUP.com today to see the BEST tools in the industry!
